## WARRANTY POLICY

Products manufactured by Compac are warranted to be free of defects in material and workmanship for a period of 24 months from date of purchase.

Engines and major hydraulic components are warranted for 24 months but can be subject to inspection and warranty approval by manufacturer of same.

Any failed parts or components must remain available for inspection until claim is settled.

Exclusions would be failure due to accidents, abuse and/or neglect. This judgement would be solely at Compac's discretion.

No other warranties or guarantees are implied or expressed.
